

Wyatt's Lane School Street Trial

**Information for customers of
Palmerston Veterinary Group**

Waltham Forest Council will be introducing a trial School Street on Wyatt's Lane from Monday 21 February 2022.

What is a School Street?

A School Street is an initiative to create safer streets for everyone by reducing traffic congestion and improving local air quality. School Streets involve temporarily closing one or more roads surrounding a school to most vehicles for a short period at the start and end of the school day.

Which roads are in the School Street zone and when will it operate?

Wyatt's Lane, Parkstone Road and Albion Road are in the Wyatt's Lane School Street zone.

The School Street will operate Monday to Friday, term-time only (not including bank holidays) between 8.30am-9.30am and 2.45pm-3.45pm.

What happens if I have an appointment or need to visit Palmerston Veterinary Group during the operating hours of the School Street?

If you need to travel to Palmerston Veterinary Group by motor vehicle during the operating hours of the School Street, you will need to inform the School Streets Team at Waltham Forest Council so you do not receive a PCN.

You can do this by emailing schoolstreets@walthamforest.gov.uk or by calling **020 8496 3000** with details of your vehicle and date/time of your visit. You must let Waltham Forest Council know within 24 hours of entering the School Street zone so they can ensure that you will not receive a PCN.

How do I find out more about School Streets in Waltham Forest?
